The below table should be used as a guide only. All our dishes are made in a kitchen that not only handles but tosses around various seasonings and ingredients that contain celery and mustard. Due to this preparation process, we do not recommend eating from our menu if you have an allergy or intolerance to these ingredients. We also handle cheese and other ingredients with the same gloves and therefore cannot guarantee that any of our dishes can be dairy-free.

Whilst none of our dishes contain nuts, we cannot guarantee that any ingredient is $\mathbf{1 0 0 \%}$ nut-free.
We are proud to offer a menu that is $100 \%$ gluten free and coeliac safe! We do not handle any gluten in our kitchen.
